INTERNATIONAL PRESENTATION OF PERFORMERS (IPOP!) GRADUATE AARON KELLY STILL GOING STRONG ON FOX'S AMERICAN IDOL

Seventeen Year Old American Idol Contest Aaron Kelly Got His Lucky Break at iPOP! 2005

(Los Angeles, May 4, 2010) – America may now just be learning about the incredible talent that is Aaron Kelly who is currently vying for a top spot on television's most popular show of the past decade, the show that launched the lucrative careers of Kelly Clarkson, Carrie Underwood, Chris Daughtry and Jennifer Hudson. This show of course is Fox's *American Idol* which in just a few weeks will crown its newest American Idol in front of millions of viewers. Many at iPOP! are hoping their iPOP! graduate Aaron Kelly will go all the way, but all iPOP! supporters are thrilled of Aaron Kelly's accomplishments so far.

"I remember five years ago when Aaron Kelly hit our competition stage at iPOP! in 2005. He must have only been eleven years old," said iPOP! President, Joseph Beauchamp. "Aaron had this maturity in his voice that was remarkable. We all knew Aaron was destined to be a star."

"Aaron Kelly took home every major award there was to win in singing that year at iPOP!," said iPOP! Vice-President, Tiffany Rochel. "We at iPOP! are so proud of Aaron and we wish him the very best on *American Idol* and we look forward to having him hopefully make a special appearance at an upcoming iPOP! once he's finished with his *American Idol* tour."

iPOP! staffers were happy that Aaron Kelly was able to meet the right set of managers, agents, and talent developers that were present at that particular iPOP! talent convention. Aaron's family was smart and with the help from mentors that they met at iPOP! they were able to properly train Aaron for the rigors of *American Idol*. It takes a tremendous amount of courage to be on an *American Idol* stage and iPOP! knows that.
